OPEN FORUM

Mayor Reinke opened the meeting up to the audience at this time.

Dog Park: Sandra Rickler, 4891 Helena Lane, commented that the city's off-leash dog park had been built too close to homes and expressed concerns with park rules not being adhered to, including: dogs off leash when outside of the park, excessive barking, dog waste in and around the park, fights between dogs and between owners, and hours the park is being used. She also noted that people are using the park while it is temporarily closed. Ms. Rickler asked that police patrol the area more frequently, particularly on weekends, cameras be installed, park hours be posted, the park be cleaned on a weekly basis, the parking lot be moved to the end of Helena Road, and that users be held accountable.

Summerfest Parade: Karen Goodmanson, 1513 Hallmark Avenue, expressed concerns with the Summerfest Parade, held June 20. She explained that as no signage had been posted on her street, she was unaware that it would be closed for the parade and when she tried to get information on when her street would reopen, she felt she was not treated respectfully by city personnel. Ms. Goodmanson asked that in the future, road closure signage for the parade be expanded to include all affected streets and also that notification be made to the neighborhoods affected by the parade route and road closures. She also asked that residents, particularly handicapped persons, be treated more respectfully by city personnel.

City Administrator Fischer indicated that he would speak to Police Chief Sullivan about these matters.

No other comments were heard.
