## CITY OF OAKDALE NO. 1603

# REFERENCE STANDARDS

### PART 1 GENERAL

#### 1.01 SECTION INCLUDES

- A. Quality assurance.
- B. Schedule of References

#### 1.02 QUALITY ASSURANCE

- A. For products or workmanship specified by association, trade, or federal and state standards, comply with requirements of the standard, except when more rigid requirements are specified or are required by applicable codes.
- B. Conform to reference standard by date of issue current on date of Contract Documents.
- C. Obtain copies of standards when required by Contract Documents.
- D. Maintain copy at jobsite during submittals, planning, and progress of the specific work, until Substantial Completion.
- E. Should specified reference standards conflict with Contract Documents, request clarification from Architect/Engineer before proceeding.
- F. The contractual relationship of the parties to the contract shall not be altered from the Contract Documents by mention or inference otherwise in any reference document.
