MINOR SUBDIVISIONS

A minor subdivision is a subdivision of a parcel or parcels of property in which no more than one additional parcel or lot is created in unplatted lands, or no more than two (2) additional parcels or lots are created in platted lands. A minor subdivision is also the combination of two (2) or more lots or parcels that necessitate a change in any property line(s) of the combined parcels or lots.

Review and Recommendation by the Planning Commission. The Planning Commission shall consider oral or written statements from the applicant, the public, City Staff, or its own members. It may question the applicant and may recommend approval, disapproval, or continue the application.

Review and Decision by the City Council. The City Council shall review the application after the Planning Commission has made its recommendation. The City Council is the only body with the authority to make a final determination and either approve or deny the application for minor subdivision.

If the minor subdivision is approved by the City Council, the subdivider shall be requested to file the necessary documents recording the subdivision at the Register of Deeds office within ninety (90) days after approval by the City Council.

This application must be signed by all owners of the subject property or an explanation given why this not the case.

We, the undersigned, have read and understand the above.
